Ready for a sensory voyage?

Prepare to be transported to a wonderful world where **poetry** and **nature** merge in a symphony of enchanting colours and fragrances. Flowery immersion guaranteed!

Events bursting with creativity

Floral designers from all over the world will be showcasing their talent to create and display beautiful floral arrangements. Every day, floral art demonstrations will be taking place to showcase techniques and skills that are unique in the world.

"At the Florales, flowers come to life."

At the bend in the path, in the middle of the grass, **artists** will be sowing their art, bringing their works to life. Keep your eyes wide open as some of them will be well hidden. For the more inquisitive, there will be plant-based workshops all along the route to learn more about flowers and the natural world around us. Could this be the chance to discover a new passion?
